

Our Sensory Story

This is our visual resource to help our guests with Autism or additional sensory needs visiting LEGOLAND® Discovery Centre in Birmingham.

This resource is intended to help prepare our visitors for their new experience and to help them to become familiar with the surroundings and what you will find here at our attraction.

ENTRANCE

**Outside we have a giant Giraffe made of LEGO® bricks.
This is our Front Door where you come in.**

ADMISSIONS

Once you come in you will see our Admissions desk and a friendly member of staff will welcome you.

Here your tickets will get scanned and you can purchase an activity pack. **(only if you want to!)**

WELCOME

You then walk through an archway shaped like a LEGO® Minifigure and walk a short distance down the red and yellow corridor.

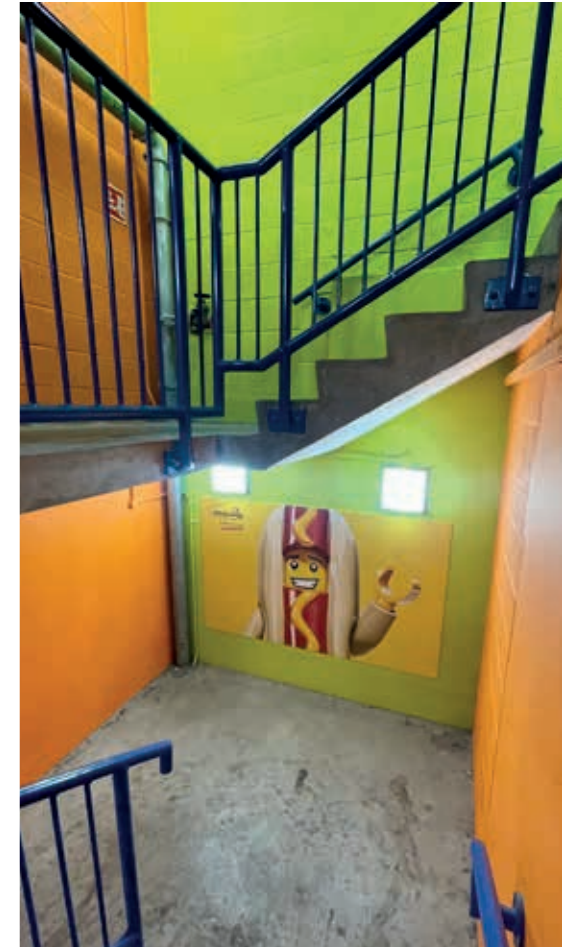

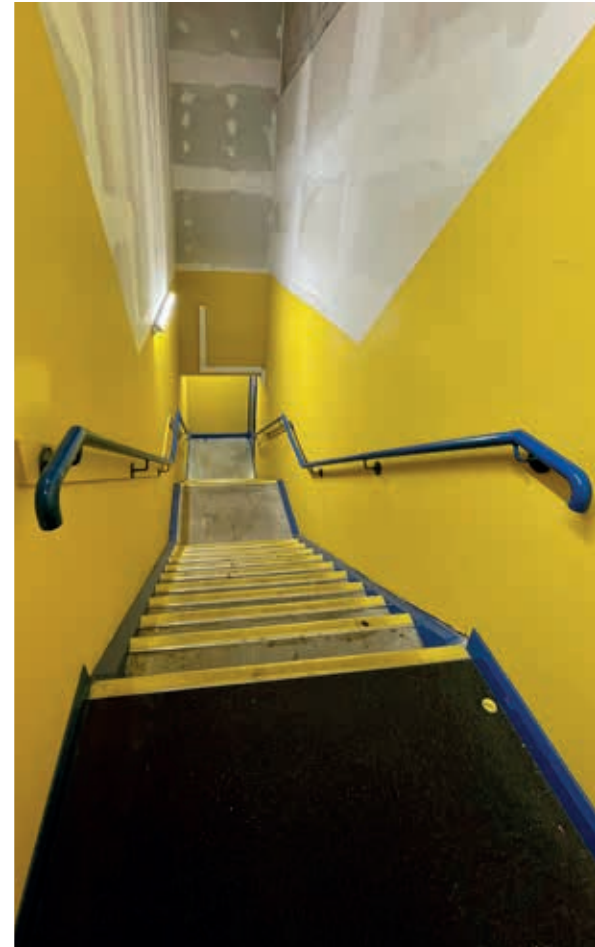

At the end of the corridor there are 2 minifigure models waiting to welcome you.

PHOTOGRAPH STATION

We have a photo team who will take your photo **but only if you want to.**
If you want to have a photo taken you sit on a green bench with you
family or friends. **There is a flash used here!**

WELCOME

Then, you take the lift down to our attraction.

If you don't like lifts you can use the stairs.

There are 4 flights of stairs (61 steps) but a staff member will be more than happy to take you this way if you prefer.

RIDES

We have two rides for you to go on.
Our first ride is called **Kingdom Quest**

There can be queues here.
This ride uses lighting effects in a darkened room.

There is also a voice over at various interactive points, but
you get to ride our LEGO® chariots and use a Blunderbuss!

RIDES

Our second ride is called **Merlin's Apprentice**

This ride uses coloured lights and can be a little dark too. The ride goes round at a stable speed and as you pedal, the really cool thing is that you will 'fly'.

ACTIVITIES

In our attraction we have lots of things for you to do.

It can be busy with lots of people and children playing. You can make whatever you like out of LEGO®! Play at the brick stations or sit at a table and the staff will help you (if you want them to).

MINILAND

You will walk through MINILAND, this is the City of Birmingham made in miniature out of LEGO®.

The lights in here can go dark and light to show the city in the day and at night. There are also some firework effects that you may hear, and you may find some interactive points as you go round.

4D CINEMA

This is where you enter the cinema.

You may have to queue here for a short time before your film starts.

There is a countdown clock on the wall to help you know how long till your film starts.

Inside you will sit on a big red chair.

OUR MOVIES

**We have different movies you can watch in 4D.
Each movie lasts up to 15 minutes.
Inside the cinema you wear some black 4D glasses,
this helps the movie to come alive.
You may notice some fog or even get a little wet in
here, but it's really fun!**

5+ SOFT PLAY / UNDER 5'S PLAY AREA

**We have 2 soft play areas for our little explorers. For our 5 years and over we have a larger City theme play area.
For our 5 years and under we have a Duplo Farm play area.**

VIRTUAL REALITY

We also have a Virtual Reality Experience.

Here you get to sit in a cool 'egg-shaped' chair called a Pod and wear some goggles.

Then you'll feel like you are driving a cool LEGO® car around a course.

The Pod moves during the show.

There is an additional charge for this if you want to have a go!

CREATIVE WORKSHOP

If you want, you can do a Creative Workshop with one of our Master Model Builders.

They will talk you through and demonstrate a build and at the end you get to take it home with you.

There is an additional charge for this if you want to have a go!

COFFEE SHOP

This is our coffee shop and seating areas if you would like to eat while you're here.

There are ham or cheese sandwich triangles, crisps, yoghurt and snacks for you to eat. There is also juice, flavoured bottled drinks or water to drink.

You can also bring something from home to eat and drink if you prefer.

RETAIL SHOP

When you enter the shop you will see lots of LEGO® sets, bags and keyrings for you to look at.

Friendly staff at the tills will serve you and put your items in a yellow paper bag if you want to buy anything to take home with you.

**We are all looking forward to welcoming you soon
and we hope you enjoy your visit!**
